AUTHORIZATION TO SEND HOA NOTICES VIA ELECTRONIC MAIL

I hereby authorize the Lakemont Highlands Division II Homeowners Association to use an electronic mail format, in lieu of U.S. Mail, to notify me of all official Association notifications.

I have read and understand the Association's Bylaws Amendment Exhibit "A" Electronic Notice and Voting Policy. I understand that although the HOA will take every precaution to protect the privacy of owner's information, it cannot guarantee protection. I consent to having my email address included in the Association's email list and accept the inherent risks involved with email communications. Generally, the benefits and convenience of email communications outweigh the risk of potential violation of privacy.

By signing below, I understand that the Association will discontinue future notifications by U.S. Mail and that the HOA will continue to email only to the email address on this Authorization Form unless the Association received written notification from me that I want to revoke this Authorization and return to receipt of notification by standard U.S. Mail. I also understand and agree that if I wish to discontinue receiving my notices electronically or I change my email address, it is my obligation to notify the Lakemont Highlands Division II Homeowners Association in writing or the Association will continue to rely on this Authorization.
